

Eddie Kaye Thomas Unofficial Fan Site Goes Live

Are you a bigger Eddie Kaye Thomas fan than me?

This web site went live Tuesday, July 17th, 2007. I hope that this page will become "official", especially for all of the great swag that entails, like exclusive or early access to new photos and news about Eddie.

Are you a bigger fan than me? If you are, please prove it, and you can run this site instead of me! Unfortunately, I'm a busy person. This site will be better if someone who has more time to devote to the project administers it.

This site is running a great content management system, so all you have to do is create content and weed out the losers on the forum. Please go to the contact page and email me if you are interested in administrating this website! Thanks!
